	05/25/08 15:35 CST		0.70M	Tornado (EF1, L: 6.00 mi , W: 100 yd)
	05/25/08 15:47 CST	2	0	Source: NWS Storm Survey
Tornado touched down in the northeast corner of the intersection of Highway 10 and Main Street, and moved southeast. It lifted off in central Blaine, near the TPC Golf Club, just east of Highway 65 and north of 109th Avenue. Numerous trees were toppled or snapped, and some roof damage was also detected. One home was pushed off its foundation. A number of sheds and garages were destroyed. Two people in the parking lot at Kohl's in the Riverdale Village Shopping Center in Coon Rapids were picked up and blown over by the tornadic winds. In Blaine, one of the hardest hit areas was 118th Avenue, where extensive damage was incurred to several roofs, residential siding, and garages in the area. Several reports of damage were provided by the Coon Rapids Herald, the Blaine and Spring Lake Park Sun Focus, and other local newspapers.

	05/25/08 15:58 CST		0	Source: NWS Storm Survey
The tornado touched down on the eastern side of Lino Lakes, at the eastern shore of Peltier Lake. The tornado felled trees and lifted boat docks, then tracked east and crossed Interstate 35E. As this occurred, a few barns, grain bins, and silos were damaged. The tornado then intensified as it moved into northwestern Washington County and a subdivision (Creekview Preserve), about two miles north of downtown Hugo. It was at this point (around 16:01), that the twister caused EF-3 damage. The tornado dissipated in the eastern portion of Hugo, just north of Irish Avenue and 140th Street. Seven hundred and ninety four homes, including mobile homes, were affected by the storm in some way. A total of 91 homes sustained minor structural damage, numerous broken windows, and damage to small sections of roof. Twenty seven homes were destroyed, totally collapsed, or not economically feasible to repair. A two year old boy in Washington County (see corresponding entry) died after being blown out of the first floor of his home in Creekview Preserve. A 62 year old woman in Washington County died an indirect death due to a heart attack during cleanup in Hugo a few days later. Some important information provided by the Pioneer Press, Star Tribune, and other local newspapers.
